

ASSOCIATION VASCO SANZ FUND
For the support of brain research

VASCO SANZ FUND Prize 2026

CALL FOR APPLICATIONS for the award, in 2026,
of the 17th prize awarded by the VASCO SANZ FUND

Researchers who meet the conditions below are invited to submit
their application and file:

- Be the first author(s) of the submitted work.
- Be officially domiciled in Switzerland.
- Be a master's student, doctoral student, or post-doctoral student (maximum 3 years after the defense of the doctoral thesis).
- Age limit: 35 years old.
- Carry out research work (theoretical or applied) directly relating to knowledge of the human brain, in particular that enabled by computer tools, or innovative analysis methods.
- Submit **a single article** deserving the prize, on research work carried out in Switzerland, published within a maximum of 2 years, or accepted in a good-level publication.
- The candidate **must be present** to receive their prize.

The deadline for submitting the application file is June 30, 2026.
Submit to : emmanuel.sanz@infomaniak.ch
(an acknowledgement of receipt will be send to you.)

A prize in the amount of 3,000 Swiss francs will be awarded to the work chosen by the commission of independent experts (scientific council), decision validated by the committee of the VASCO SANZ association.

The result will be communicated to the participants and published on <http://vascosanz-fund.com>

The awarding of the prize will take place during a public ceremony on November, 2026.

All details of the conditions of participation and the registration form are on the website:
